## MAJOR CLIENT COMPANIES CONTRACT MANUFACTURING AND POWER MANAGEMENT

- ASTEELFLASH**      **Turnkey Contract Manufacturer**, Tier 1, Over \$1 billion, medium and high-volume mix, box build, 15 global facilities, Silicon Valley, China, Mexico, Europe fully integrated with advanced engineering and testing, logistics support; Telecom, Wireless, Medical, Grid Management, Computer/Server, Electric Vehicle with ISO16949 certification  
[www.asteelflash.com](http://www.asteelflash.com)
- IMI GROUP**      **Contract Assembly** with factories in China (5), Mexico, Philippines, UK, Eastern Europe and Tustin CA. Top Tier 2 with \$800 million in revenues, specializing in automotive (including camera technology), industrial, computing, medical, telecom, micro-electronics, Wi-Fi and Bluetooth applications, chip on flex, COB, stack die and plastic injection molding. ISO 9001, ISO 13485

- TWS TECHNOLOGY**      **Custom Battery Packs**, complex Li-Ion battery modules and packs for EV, computer, medical, grid, industrial and other applications, all designs and manufacturing in-house, with over 5 locations Worldwide: **Medical, EV, Computer/Server, Grid Management**  
[www.TWS.com](http://www.TWS.com)
- GCI TECHNOLOGIES**      **Magnetics, Coils, Inductors, Transformers, custom and standard** major manufacturer with engineering, product development and headquarters in **Texas**, and production in **China Major supplier to grid and solar, automotive customers, with ISO 2001 certification**  
[www.gcitechnologies.com](http://www.gcitechnologies.com)
- PHASIUM by MEGMEET**      **Power Supplies, Open frame, Medical, Instrumentation**, battery packs and power management, battery charge devices, complete ISO 13485 and UL approval, over 300 design and development engineers, three factories in China over 1 million sqft  
[www.phasiumpower.com](http://www.phasiumpower.com)
- LOROM WEST**      **Cable Assemblies, wire harness, complex interconnect systems, medical, Fiber Optics**, TS 16949 automotive, solar, high speed data, ITAR and government projects, Engineering and production in Silicon Valley and China  
[www.loromwest.com](http://www.loromwest.com)
- DARCEO**      **Contract Engineering, Electronics, Mechanical designs**, Complete turnkey engineering, board design, Design verifications, full specifications, documentation for ease of transfer to Manufacturing, signal integrity, thermal analysis, test development Software and firmware development. Over 40 engineers, with extensive experience in multiple Fortune 500 companies
